Finally, a contemporary take on melamine dinnerware that provides the ultimate canvas for today's modern cuisine: The Unity Collection. Named for the intersection of form and function, the Unity Collection combines a clean, straight-sided and stackable design with the durability of melamine. The result is delectably inspiring. Available in a wide variety of shapes, sizes and capacities, this dual-toned collection features colorways to approach both the coolest and warmest of decors. Intermix the Graphite and Mocha colors together, add a splash of stainless and a touch of Tritan™ and your recipe is complete. The look is truly extraordinary.

Capitalize on versatility in your dinnerware with this 16 ounce, 4-1/2″ diameter graphite and white bowl! It can be used to serve salad, soup, snacks and more. The dual-tone design highlights whatever you're serving but still gives a dash of dimension to your display. The melamine material is durable and dishwasher-safe. This piece is truly a combination of form and function. Pair it with more from the Unity Collection to complete the look.
