Dinnerware has a new standard. The Jane Collection, our "basic" dinnerware line, is anything but ordinary. Simple and versatile by design, these plates, bowls, cups and platters serve as ideal backdrops for all types of menu items. From low-key lunches to gastronomically-inspired dinners, the possibilities are practically endless. We chose to craft the Jane Collection from melamine for two reasons: First, it's exceptionally resilient to the bumps, bangs and bounces that find their way into every kitchen. This dinnerware is in it for the long haul. Second, melamine is dishwasher-safe. No matter how you're inspired to fill these blank canvases, cleaning and reusing them is a cinch.

Serve pastas, salads, ramen and more in this white melamine 8-1/2″ diameter bowl! It has a capacity of 32 ounces, which is ample space to serve hearty portions of your most delicious creations. Pair it with more from the Jane Collection for a timeless, classic look that will pair well with all of your existing decor.
