With free-swinging decorative handles and a stylish hammered texture, our Copper Rectangular Hammered Tubs are a step up from the tubs commonly used in cafeterias and at catered events. These tubs come in a range of sizes for a range of needs, from storing silverware to keeping drinks chilled.

Wherever the thirst of a small crowd needs to be quenched, this 6.5 qt. tub keeps beverages chilled with contemporary style. Its hammered copper texture is perfectly on-trend, making it a stylish home for beer, chillable wines or any other bottled beverage. Just fit it with an insulated polycarbonate insert (sold separately), and you won't need to worry about ice melting halfway through your event. Hand-wash only.
