It smells delish. It's mouth-watering. But exactly what is it? Help guests give each menu item a name, and entice them to fill their plates. These stylish stainless steel card holders dress up any ordinary handwritten or printed card. For buffet lines, bakery cases, or even numbering tables at events.

Maybe you can't actually sign your creations, but you can let everyone know their proper name. These durable stainless steel menu item holders allow you to identify favorites on your buffet line, while using minimal space. Just 2" x 2", it has a smooth finish, rounded front and slim slated design. They also work great for helping guests find table assignments at catered events. And keep one on your desk for presenting your business cards. The perfect holder to hold your good name.
