Make your table numbers and recipe labels sing with these classic harp-shaped card holders. Thanks to a weighted base, each one stays firmly in place no matter how bustling your buffet line gets. And with a slim profile, they won't clutter your valuable tabletop space. These stands come in a variety of heights to meet a variety of needs.

This 1" diameter cardholder offers an efficient and elegant means of communicating with your customers. It can securely hold the names of dishes, recipes – even marketing info. And while it takes up little space, with its harp style and sleek black metal construction, it's sure to command your guest's attention.
