Made of dishwasher-safe, high-heat stainless steel, these 1 inch square, double-sided embossed number tents are perfect for quick-serve applications. They make identifying tables and delivering orders as easy as pie! We offer multiple sets of tents to accommodate establishments and venues of any size. These tents are silver and sleek, making them perfect for both casual and upscale dining!

With embossed numbers 1 through 99, this set of 1" square, double-sided number tents makes table identification and service easy as pie. Featuring a sleek design, these silver table labels add a modern flair to any venue — whether casual or upscale. They are perfect for pizzerias, restaurants, weddings, bars, banquets, and more. Constructed of dishwasher-safe, high-heat-resistant stainless steel, these tents are built to withstand long-term commercial usage. Best of all, because the numbers are embossed rather than printed, you won't have to worry about them fading or peeling off!
