These 12 oz. (355 mL) Plastic Shakers & Dispensers seamlessly combine functionality and style! Constructed with stain-free and break-resistant, durable materials, these shakers are built for industry and lifetime usage. Their plastic design is kid-friendly and suitable for rough handling, making them ideal for casual restaurants and outdoor events. These jars are perfectly sized to hold a variety of seasonings, sprinkles, herbs, spices, and cheeses – while also taking up minimal space in storage or on the table. The transparency of the crystal clear plastic allows for full product visibility, so you won't have to worry about tacky labels or unknowingly running low on the shakers' contents. It doesn't stop there – these shakers are attractive, too! The straight fluted exterior embodies a classic aesthetic, which adds a clean flair to any space and will be sure to impress your guests.

With a capacity of 12 ounces (355 mL), this plastic shaker with self-closing stainless steel flap lid is the perfect sugar pourer for tea and coffee. Its straight fluted exterior offers a classic touch to any tabletop. The crystal clear body allows your guests to easily identify the shaker's contents and for staff to see the amount remaining. When it is time for a refill, simply unscrew the practical metal top. Measuring at a height of 5-3/8 inches and a diameter of 3 inches, it is the ideal size for storage or fitting into a carrying caddy. Use this shaker at your café, pizzeria, restaurant, diner, hotel, or catered event. Designed with convenience in mind, this jar is dishwasher safe for easy handling. It is both break resistant and BPA free.
