Modernize your space with these unique cool brushed stainless steel shakers! Featuring fine and coarse holes, these shakers are perfect for dispensing a variety of seasonings, sprinkles, herbs, spices, and cheeses. The all-satin exterior and interesting shape offer a contemporary touch to both casual and upscale dining establishments. Conveniently, these large shakers hold up to 16 oz. worth of toppings, making them a low maintenance option for your busy restaurant. Their durable stainless steel construction is designed for industry usage, so while they have an expensive look, they are actually highly cost-effective!

With a capacity of 16 ounces, this satin finish stainless steel shaker with fine holes is the perfect dispenser for fine powdered spices like cinnamon, sugar, pepper, salt, and garlic. The brushed silver exterior and cylindrical body offer a contemporary touch to any tabletop. Measuring at a height of 7" and a diameter of 3", this large shaker does not require constant filling. When it is time for a refill, simply unscrew the practical metal top. Best of all, the durable stainless steel construction allows for long-term commercial usage. Use this modern shaker at your pizzeria, restaurant, diner, hotel, or catered event.
