**California Prop 65 Warning**

When half of your crowd wants lemonade and the other half demands iced tea, American Metalcraft's Dual Juice Dispenser is the surefire way to keep everyone happy. Featuring polycarbonate bodies with ice container inserts, high-quality faucets, stainless steel frames and grated bases, our two-in-one juice dispenser (three-in-one if you count Arnold Palmers) is a handy tool wherever thirst needs to be quenched.

Need replacement bodies for your juice dispenser? We've got you covered. These durable polycarbonate bodies will fit right into your existing Dual Juice Dispenser.

- Polycarbonate
- Clear
- Wipe Clean with Soapy Water
- Stylish, Clear Dual Design
