The Endurance Melamine Collection: These bowls and platters are manufactured from nearly indestructible melamine for long-lasting reliability in everyday performance. Not recommended for microwave use.

This stylish 10" square white melamine bowl has a capacity of 64 ounces, providing an ideal solution for serving shareable salads and other appetizers. Its pristine white color blends well with any type of decor, and its flared sides frame food beautifully, beckoning guests to dig in and take a bite. With a melamine construction that makes it nearly unbreakable and lightweight, this bowl is an obvious choice for your tabletops!
