American Metalcraft's Endurance Collection consists of nearly indestructible melamine bowls and platters for long-lasting reliability in everyday performance. We crafted these unique Flared Round Melamine Bowls to combine the utility of melamine with an ultra-contemporary curved silhouette.

This 80 ounce flared bowl is a memorable way to serve shareable salads and pastas. Its ridged sides and dramatic shape add up to a gallery-worthy design, and its melamine construction makes it durable, light and dishwasher-safe. No chips. No cracks. No breaks. Just an enduring statement piece that will elevate any tabletop spread. Not recommended for microwave use.
