With organic edges, textured surfaces and dark brown mottled accents, these Antique White Melamine Bowls and Platters boast an impressive combination of durability and memorability. These pieces could pass as upscale heirloom items, but their melamine construction provides a lightness and break-resistance that you won't find in real antiques. It's truly the best of both worlds.

The off-white coloration and organic design of this 21" L x 13" W rectangular melamine platter is a gorgeous way to highlight the warmth of your culinary creations. Whether you're serving baked goods, charcuterie or even larger items like burgers or sandwiches, your customers will be impressed by the old-world styling, and your employees will be grateful for the light, durable melamine. Pair with more from the Antique White collection for a cohesive look. Not recommended for microwave use.
