With organic edges, textured surfaces and dark brown mottled accents, these Antique White Melamine Bowls and Platters boast an impressive combination of durability and memorability. These pieces could pass as upscale heirloom items, but their melamine construction provides a lightness and break-resistance that you won't find in real antiques. It's truly the best of both worlds.

This 18" L x 8-1/4" W rectangular melamine platter has a warm, off-white style that highlights the craftsmanship of your own creations. Whether you're serving charcuterie or freshly baked desserts, your customers will be impressed by the old-world styling, and your employees will be grateful for the light, durable melamine. Pair it with more pieces from the Antique White collection for a cohesive aesthetic. Not recommended for microwave use.
