With organic edges, textured surfaces and dark brown mottled accents, these Antique White Melamine Bowls and Platters boast an impressive combination of durability and memorability. These pieces could pass as upscale heirloom items, but their melamine construction provides a lightness and break-resistance that you won't find in real antiques. It's truly the best of both worlds.

The off-white coloration and organic design of this 125 ounce melamine bowl highlights the craftsmanship of your own creations. Its large size makes it ideal for serving bakery items or fresh fruit at a buffet display, or for presenting hors d'oeuvres at a catered event. Functionality and style are no longer mutually exclusive thanks to the power of highly durable and lightweight melamine. Not recommended for microwave use.
