Complete your kitchen with our line of assorted servers! Whether you need a fish spatula, burger turner, or pizza server, we've got you covered. All of the products in this collection are constructed with durable stainless steel blades that gently slide under foods with ease and care. You can feel confident that your creations will stay intact when flipping or serving. Plus, the comfortable handles allow for quick and easy use – even in high-pressure settings. These servers are highly durable for all your service industry needs!

This 10-1/4"-long plastic-handled turner is ready to take on all your food flipping needs! Its stainless steel offset blade with rounded edges measures at a length of 3-5/9" and width of 1-7/8". It gently slides under your burgers, steaks, poultry, and vegetables, flipping them with ease and care. The durable, cool-to-the-touch plastic handle provides a firm, comfortable grip, helping to prevent fatigue during repetitive use. Because of this turner's long length, it keeps your hands a safe distance from sizzling foods and free of hot grease splatter. Constructed for long-term commercial usage, this dishwasher-safe turner is resistant to corrosion and will prove reliable in your busy kitchen for years on end. Use this grill spatula at your steakhouse, fast-casual restaurant, diner, food truck, concession stand, or hotel kitchen.
