These Straight-Sided Square Deep Dish Pans are pizzeria essentials! With a square shape and large range of sizes, these pans take versatility to the next level. In addition to baking the perfect Detroit-style deep dish and topping-loaded pizzas, these pans are also suitable for cakes, brownies, and other desserts. Their high-quality, sturdy aluminum construction heats quickly and evenly, so you can say goodbye to burnt and undercooked crusts and pastries. Your customers will also be impressed with your short wait times! Best of all, the straight sides ensure symmetrical, uniform, and smooth edges. These pans resist corrosion and wear, so you will be able to enjoy them in your commercial kitchen for years on end! All pans in this series can be perforated with a round pattern for increased air circulation.

With a length/width of 6" and depth of 2", this straight-sided square pan will take your deep dish pizzas to the next level. Constructed of 14 gauge, 1.5 mm heavy-weight aluminum, this pan ensures even heat distribution. The 2" depth is ideal for baking Detroit-style deep dish and topping-loaded pizzas, as well as cakes and other desserts. The straight sides help create symmetrical, uniform, and smooth edges. This pan's high-quality, durable aluminum is rust, corrosion, and warping resistant, so it will remain intact for years on end. It also features sanitary seamless corners and beads for easy cleaning. Best of all, it is stackable for space-saving storage. Use this pan at your pizzeria, restaurant, diner, bakery, or hotel kitchen. Made in the US. Hand wash only using aluminum-safe detergent. Note: aluminum can be perforated for more air circulation.
