A clean oven is crucial when it comes to food safety. That's why we've created our all-in-one pizza oven brushes! These brushes feature a heavily filled (65 tufts) stiff brass wire on one side and a rust-proof steel scraper on the other. The screw-on handle with extra-strong die cast aluminum threaded tip easily attaches to a 10" x 1 3/4" (25.4 x 4.5 cm) hardwood block. These durable brushes will quickly and easily clean baked-on residual burnt food debris, heavy grease, rust, and ash from every nook and cranny of your commercial oven. Replacement brush and handles available!

With a 40" long handle, this pizza oven brush is the most efficient, reliable, and safe tool for cleaning every nook and cranny of your commercial oven. Featuring heavily filled (65 tufts) stiff brass wire bristles and a rust-proof steel scraper on the opposite side, this brush can clean up the most stubborn of messes. You can say goodbye to baked-on residual burnt food debris, heavy grease, rust, and ash! This brush is also designed with a screw-on handle with extra-strong die cast aluminum threaded tip for easy attachment to the 10" x 1-3/4" hardwood block. When not in use, the brush's handle has a drilled hanging hole for out-of-the-way storage. Use this brush at your pizzeria, restaurant, diner, bakery, or hotel kitchen. Available in beautiful retail packaging. Hand wash only.
