On the hunt for a high-quality stirring paddle? You've come to the right place! Our wide array of paddles are perfect for stirring large pots of soup, stew, sauce, and batter. Choose from a variety of sizes in either stainless steel or smooth-sanded hardwood. All our paddles are suitable for both hot and cold ingredients, and feature a long handle that keeps your kitchen staff at a safe distance from the pot when heat and steam are present. The paddles are also designed with a wide blade that allow for efficient, yet gentle, stirring. Constructed of durable materials, our stirring paddles are built to withstand the everyday wear and tear of any busy commercial kitchen!

With a 4-3/4" x 9-3/4" blade and 1" wide tubular handle, this 42" long seamless stainless steel stirring paddle is a must-have tool in your commercial kitchen. Suitable for both hot and cold ingredients, this paddle is perfect for stirring large pots of soup, stew, sauce, and batter. The long handle offers a comfortable grip and keeps your staff at a safe distance from the pot's heat and steam. The wide rectangular blade with rounded edges allows for efficient, but gentle, stirring. Unlike wooden paddles, this paddle's fully stainless steel construction is easy to clean and keep sanitary. Designed for long-term use, it will stay intact for years on end. Use this dishwasher-safe stirring paddle at your pizzeria, restaurant, bakery, or hotel kitchen.
