These self-standing tabletop chalkboards are a fun and easy way to change out menu items and daily specials; number event tables; identify buffet items or tag sweets in the bakery case; and simply direct traffic. Mix and match shapes and sizes for different uses. Contrast the deep black background with a white chalk marker or get creative with colors. When it's time to change the message, these boards easily wipe clean with a wet cloth.

A 5-7/8" L x 8-1/4" H writing surface allows you plenty of room to number tables, identify menu items on a buffet, announce specials, and just about anything else you'd like to communicate. Because this chalkboard sign is self-standing, it eliminates the need for separate card stock and stands. Designed for use with chalk markers and wipes clean with a wet cloth. A great look for outdoor events, coffee shops, barn weddings, or rustic settings.
