Maintain a comfortable space for all customers with modern, inconspicuous cigarette disposal. Featuring screw-off top (on free-standing pole) or bottom (on wall-mounted pole) for quick emptying. Intended for outdoor use only.

This 15" diameter, 40" tall unobtrusive black matte free-standing smoker pole is the perfect way to keep your outdoor dining space clean and cigarette butt free without compromising appearances. Safety first; this smoker pole is designed to extinguish flames by limiting the amount of oxygen, leading to less fires and accidents. And it's easy to clean – just unscrew the cap and empty the contents into the trash – making it a must-have for any outdoor space.
