Stainless steel always adds a bit of shine to your display. These tongs mix style and function for a sleek way to serve your customers.

These 6" L stainless steel tongs are a sleek and stylish way for guests to grab fruit, rolls and other appetizers and sides. The shorter size offers better control for serving shareable foods directly to the table or at a smaller buffet. These tongs have a streamlined one-piece design that gives it a clean and contemporary aesthetic. They have slots on both sides for drainage on juicier or wetter foods like fruit and veggies. Pair them with the rest of our Evolution servingware for a truly elegant display.
