These little stainless steel ice buckets are perfect for tableside service. The double-wall design keeps ice cooler longer. With a unique contemporary look, you can achieve both style and utility.

This double wall satin stainless steel 4-3/8" diameter ice bucket has a 34 ounce capacity. Packed with ice tongs, this bucket has everything you need for your beverage service. The double wall design will ensure your ice stays ice for hours. It has a small footprint and a handle that's ideal for tableside service, so you can give guests what they need without worrying about table space and it's easy to carry from kitchen to table. With a removable grating at the base to drain water, you can ease your mind and chill your drinks efficiently and in style.
