Choose from our wide variety of finishes with these wine & champagne buckets & stands! You have options to ensure you have the exact size, color and finish you need for a stunning and efficient operation.

Make elegance a top priority with this beautiful wrought iron 8" DIA. x 32-1/8" H stand to present your chilled champagne or wine. It allows you to serve bottles to the table without taking up table space and keeps it conveniently in reach for wait staff. And you won't need to compromise on presentation, either! It is strong and sturdy but still manages to be lightweight and easy to carry. Pair it with our copper plated hammered stainless steel champagne bucket for a supremely trendy look.
