7" L HANDLE

List Price: \$4.80 EA

Pack: 12/240

Cu. Ft.: 1.84

Weight: 32 lbs

Ideal for syrup, fudge, fruit, and gravy, our two-piece stainless steel ladles are here to meet your scooping needs! Available in three different sizes, these ladles make measuring and portioning liquids a breeze. The long handle keeps your hands safe from hot cooking components, while the end hook securely rests against your pots and bowls when not in use. Made for long-term use, these commercial-grade ladles are durable as can be!

Measure, portion, and scoop sticky syrup, fudge, fruit, and gravy with this two-piece welded 2 oz. ladle. Designed with a 7" handle, this all-purpose ladle keeps your hands a safe distance from hot pots and stoves. The handle's hooked design allows you to rest the ladle against the edge of your pots or hang it when not in use. Because of its durable stainless steel construction, this ladle won't bend or rust even with daily usage. Use it at your restaurant, buffet, cafe, diner, or catered event. Dishwasher safe for easy handling.
