Whip up out-of-this-world sauces, eggs, and batters with our stainless steel piano whips! Designed with sanitary sealed handles and flexible wire, these lightweight whips provide quick and precise whisking. Choose from a variety of sizes to accommodate all of your bakery or kitchen's needs! These whips are highly durable and will stay perfectly intact even with heavy use.

Mix things up with this 10"-long stainless steel piano whip! Featuring a sanitary sealed handle and flexible wire, this whip is perfect for whisking delicate sauces, eggs, batters, and more. Its shorter stature offers a firm, controlled grip, allowing for more precise whipping in smaller bowls. Constructed for long-term commercial usage, this dishwasher-safe whip is resistant to corrosion and will prove reliable in your busy kitchen for years on end. Use it at your restaurant, bakery, diner, or hotel kitchen.

- Stainless Steel
