Stainless steel always adds a bit of shine to your display. These tongs mix style and function for a sleek way to serve your customers.

With a length of 8", these elegant stainless steel salad server / pastry tongs are perfect for serving individual portions of your delectable creations! Featuring prongs on one side and a solid bowl on the other, these tongs allow you to toss salads and serve pastries with ease. Ideal for buffets and catered events, these tongs have an attractive mirror finish that makes them suitable for both back-of-house and front-of-house use. They allow for sanitary serving by helping to prevent contamination from your staff's and guests' hands. Plus, their heavy-duty stainless steel construction offers long-term durability even with daily use. Use these dishwasher-safe tongs at your restaurant, bar, cafe, or hotel.
