Our round 18 gauge aluminum basting covers are the key to faster and more even heating! Available in a variety of sizes, these 2"-high covers are designed to be placed over foods cooking up on your grill, griddle, or stovetop for quicker, tastier results. Your burgers, steaks, and eggs will be a total hit. These covers also keep your cooks safe from hot grease splatter and feature cool-to-the-touch Bakelite knobs that prevent burns. If you are looking for an economical and durable product that will boost your restaurant reviews, this is it!

Measuring 6" DIA. X 2" H, this round aluminum basting cover is an easy and economical way to improve your cooking performance. Ideal for grills, griddles, and stovetops, this cover facilitates even and quick heat distribution. Use it to melt cheese on burgers and steam vegetables to perfection, or to speed up the cook times of eggs, steak, and poultry! This cover also helps prevent grease splatter for safer grilling and easier clean up. Best of all, it comes with a Bakelite knob that is cool to the touch and prevents burns. Designed for commercial use, this cover's 18 gauge aluminum construction is lightweight, easy to clean, and offers long-term durability. Use this grill cover at your fast casual restaurant, steakhouse, food truck, or hotel kitchen. Hand wash only using aluminum-safe detergent. Note: ships unassembled with knob protected in a polybag.
