BAKNOB

REPLACEMENT KNOB FOR BASTING COVERS

List Price: \$1.80 EA

Pack: 12/600

Cu. Ft.: 1.10

Weight: 39 lbs

Our square 18 gauge aluminum basting covers are the key to faster and more even heating! Available in a variety of sizes, these 2"-high covers are designed to be placed over foods cooking up on your grill, griddle, or stovetop for quicker, tastier results. Your burgers, steaks, and eggs will be a total hit. These covers also keep your cooks safe from hot grease splatter and feature cool-to-the-touch Bakelite knobs that prevent burns. If you are looking for an economical and durable product that will boost your restaurant reviews, this is it!

Easily switch out the Bakelite knob on your American Metalcraft stainless steel and aluminum basting covers with this replacement. Designed with safety in mind, this knob is cool to the touch and prevents burns from hot grills, griddles, and stovetops. Take advantage of this handy replacement knob as an economical way to repair your basting covers and maintain their longevity. Mounting screw included. Note: minimum order 12 pieces.
