With multiple serving size options marked clearly along each hammered handle, these beautiful servers provide portion control for your buffet and disguise the appearance of fingerprints and wear. Their durable, easy to clean stainless steel construction makes them perfect for institutional settings.

With a serving size of a 1/2 cup, this sleek hammered stainless steel portion server is perfect for scooping pastas or other dishes – even ice – from the buffet line. The standard serving size allows you to plan for crowds effectively. Its scoop is uniquely shaped to reach the corners of rectangular food pans, allowing your customers to enjoy every last bit so no food goes to waste.
