Some serving utensils are built to withstand the hustle and bustle of a crowded kitchen. Others are built to look attractive in front-of-house applications. Belaire Hollow Handle Buffetware is built to do both. With polished stainless steel construction, ergonomic hollow handles and convenient finger grips, these pieces are tough enough to get the job done and beautiful enough to impress customers while doing it. If you host buffets, catered events or parties, let our Belair Hollow Handle Buffetware make your life a little easier and a little more stylish.

This 14" L stainless steel perforated turner is a must-have for serving dishes ranging from lasagna to enchiladas to decadent desserts. It's lightweight and comfortable in the hand, making your server's job easier to execute with grace. And with a beautiful polished finish, your customers won't be able to take their eyes off of it—except to gawk at the food you're serving. Up your front-of-house presentation with the Belaire Collection, and make the show look easy.
