With a French Bistro look, these fry cups are ready for anything. You can even use them as elegant little trash receptacles. Not for use with acidic foods.

This angled galvanized 3-1/2" diameter fry cup puts your food at center stage. The angled form ensures your food is unobstructed, and the galvanized steel will only uplift the look of your fries, chicken fingers, or mozzarella sticks. Galvanized steel is as durable and long-lasting as it is rustic and on-trend. Pair it with our bamboo accessories for the perfect picnic-chic display.
