At first glance, all of these boards look like beautiful wood serving pieces. But upon closer examination, these are not wood but durable, machine-washable melamine!

This versatile melamine 17-3/8" L x 9-7/8" W serving board's olive wood design will add warmth and charm to your food or table display. Unlike traditional wooden serving boards, this is stain-resistant and easy to clean for a busy dining establishment. Featuring round feet that lift it 1-1/4" off the table, this serving board will add dimension and grace to any display.
