With the straight-grained look of walnut, our melamine platters lend a rustic charm and organic feel to any establishment, buffet line, tabletop or catered event, and the rich, dark-chocolate finish offers a striking contrast to colorful foods, enhancing their eye appeal. At the same time, unlike their hardwood counterparts, these handsome platters are stain resistant and easily sanitized.

The rich appearance of this 14-1/4" L x 7-1/2" W rectangular walnut melamine service platter is matched by its functionality. It's easy to clean and highly durable, yet simultaneous it has an attractive, timeless look. With the wavy edges of an actual walnut serving piece, this platter offers a hardwood look and hard-to-beat practicality.
