With the straight-grained look of walnut, our melamine platters lend a rustic charm and organic feel to any establishment, buffet line, tabletop or catered event, and the rich, dark-chocolate finish offers a striking contrast to colorful foods, enhancing their eye appeal. At the same time, unlike their hardwood counterparts, these handsome platters are stain resistant and easily sanitized.

The rich look of walnut combines with the durability of melamine in this 18" L x 8-7/8" W rectangular service platter. It's a fitting stage for your signature creations, whether they're freshly baked breads, elegant hors d'oeuvres or sumptuous desserts, as well as appetizers or meat-and-cheese spreads. The sturdy, easy-to-clean platter has the wavy edges of an actual walnut serving piece, resulting in a hardwood look and hard-to-beat practicality.
