Take a close look at the details in these platters and bowls from our Glacier Collection. It's gorgeous enough to lift the look of your entire display with just one piece – but it's also gorgeous enough that you'll want more than one. They truly make every piece a work of art.

Glistening blue glass with a captivating swirled design – this 14" diameter bowl works as a table centerpiece as much as it does as a serving bowl. With a capacity of 98 ounces, this bowl will effectively serve shareable appetizers and salads – but it will also beautifully show off various fruits. Add this stunning piece to your display, and pair with our gold stainless steel serving utensils for a dynamic, upscale look.
