A unique natural look, these stone cardholders can be dressed up or down depending on the presentation you're after. Mix them with floral arrangements, among greenery or with river rocks. Especially beautiful in an outdoor setting. Works with a variety of card sizes and weights—whatever you create. Attracts attention without sacrificing table space. Perfect for buffet lines, event table numbers, or even in bakery cases, these holders are unexpected and beautiful.

This black stone cardholder makes a statement while mixing with a variety of buffets. At 1-1/4" L x 1" W, it holds cards large enough to be easily read, yet requires very little table space. Perfect for menu item identification and numbering tables. Mixes nicely with other natural elements like flowers and greenery. Extra gorgeous in an outdoor setting.
