Bring elegance to the table with our sleek stainless steel cheese knives. Each knife is designed to serve a different type of cheese, from hard Parmesan to soft Brie, while the fork easily transports each serving to your plate. Pair with any of our diverse serving boards to complete the look.

This 6-5/8" L stainless steel spreader is crafted to glide through soft cheeses like chèvre, Gorgonzola and Robiola. With a sturdy ergonomic grip, you'll be able to assemble cheese board after cheese board without tiring. This blade's dull rounded edge is ideal for spreading the creamiest cheeses, making it a must-have for any restaurant that serves cheese-lovers.
