Our Crave Collection of break-resistant melamine dinnerware offers a look that is far from your grandma's melamine. Fast forward to the 21st century, where technological advancements in designs, materials and manufacturing techniques create artisan-quality melamine that captures the look and feel of china – all at a fraction of the cost and two to three times the service life. NSF-certified and BPA-free, the Crave Collection is safe in terms of durability, design and ability to be thoroughly sanitized. In a wide variety of plates, platters, bowls and mugs, each artisanally designed piece features organic edges to elevate food service everywhere.

Serve up desserts, salads and small bites on this incredibly versatile 7-1/2" diameter white (Cloud) plate. Featuring a coupe-style shape and organic edges, this plate conveys both a modern and artisanal flare while its soft white color easily coordinates with other tabletop items. Pair with other shades in the Crave Collection for a truly dynamic look.
