Our Crave Collection of break-resistant melamine dinnerware offers a look that is far from your grandma's melamine. Fast forward to the 21st century, where technological advancements in designs, materials and manufacturing techniques create artisan-quality melamine that captures the look and feel of china – all at a fraction of the cost and two to three times the service life. NSF-certified and BPA-free, the Crave Collection is safe in terms of durability, design and ability to be thoroughly sanitized. In a wide variety of plates, platters, bowls and mugs, each artisanally designed piece features organic edges to elevate food service everywhere.

With a capacity of 7 ounces, this 4" diameter light gray (Shadow) bouillon cup is ideal for serving soups and desserts in style! Its organic edges give it an authentic hand-thrown appearance, providing a rustic touch with a contemporary flare. Pair with other shades in the Crave Collection for a truly dynamic look.
