Transform your beverage service with these super-sleek designs. Each piece is double-walled so you can ensure the contents stay the perfect temperature without being too hot to touch or sweating. With everything from the smallest creamer to a shining pitcher, you have everything you need to create the perfect setup.

This 5 ounce stainless steel double-wall creamer is great for serving a whole table coffee. It has a sleek, contemporary look and a double-wall construction that will keep cream or milk cool throughout the meal. With a lid that will prevent spills, and a knob that makes pouring easy. For a sleek overall display, pair this with accessories from our Satin Finish Stainless Coffee/Tabletop Accessories collection.
