These black silicone ice molds are handy and easy to spot in your freezer. All are made of dishwasher-safe, BPA-free, foodsafe silicone and withstand temperatures from -4° F (-20° C) to 392° F (200° C). New, improved designs!

Put a fun twist on the classic ice cube by using this 7" L x 4-5/8" W x 1-1/2" H black silicone ice mold to create round ones! It has 6 compartments to create 1-1/2" diameter ice spheres – it comes with a removable lid that helps you make them as perfect as possible. This mold can also withstand a wide variety of temperatures, so you can use it to make cake pops and other bite-sized treats too!
