Elevate your brunch presentation with our Black Twilight Griddle Stands. Designed to hold a griddle (sold separately), they're a gorgeous way to present hearty breakfast foods like crepes or French toast. Crafted from stainless steel with our glossy Black Twilight finish, they can stand the heat of a griddle in style. Plus, their tapered design can stack for easy storage when not in use.

With a modern "crate"-style construction, this round griddle stand is an ideal centerpiece for brunch buffets. Measuring 17" across and 4 1/2" high, it brings a contemporary flair to just about any catering setup. This stand isn't only useful for the popular late-morning brunch trend; it's also an excellent way to serve fajitas, tacos or even dessert items straight from the griddle.
