No kitchen is complete without a measuring cup set, and at AMC, we have you covered. Our measuring cup sets are designed in different styles so that you can ensure you have the best option for your establishment. These sets provide you with the most basic sizes so you can stock your kitchen without overcrowding it. Unlike standard plastic measuring cups, these professional stainless steel cups will stay perfectly intact for the long haul.

This set of 4 flat-handled measuring cups makes baking a breeze. Included in this set is a 1/4-cup, 1/3-cup, 1/2-cup, and 1-cup measuring cup. It has all the sizes you need for accurately measuring out dry ingredients. With these handy measuring cups, you'll be able to create the perfect recipe whether that's pizza dough or brownie batter. Best of all, these cups are specially designed with a solid, flat handle that allows for a secure grip and easy scooping. Each handle is also engraved with the size of the cup. When not in use, the handle has a convenient hanging hole for space-saving storage. These measuring cups are constructed of durable 200-series stainless steel that can withstand everyday wear and tear in busy commercial kitchens.
