When laid-back presentation won't cut it, our Mix & Matte Collection of melamine dinnerware lends an air of luxury. Designed to be mixed and matched (hence the name), these matte white, gray, black and marble pieces can stand up to even the noblest menu items. Each item in this line can be paired together. Layer plates and bowls for a dimensional look. This melamine dinnerware line is resilient to the bumps, bangs and bounces that find their way into every kitchen. The Mix & Matte Collection is versatile and can pair well with a variety of buffet and tabletop accessories that we offer at American Metalcraft.

With a capacity of 10 ounces, this 4-1/2" diameter bouillon cup serves as the perfect way to dish up anything from soup to cereal. A matte white marble finish provides a modern appeal to a staple dinnerware item. You get the look of natural stone with the durability of melamine. And its tapered design can easily be stacked for space-saving storage. Use on its own or as the perfect soup and sandwich combination with a plate or platter. The possibilities are endless!
