With free-swinging decorative handles and a stylish hammered texture, our Black Rectangular Hammered Tubs are a step up from the tubs commonly used in cafeterias and at catered events. These tubs come in a range of sizes for a range of needs, from storing silverware to keeping drinks chilled. Hand-wash only.

This 1/3-side insulated beverage tub insert will perfectly fit with a number of American Metalcraft beverage tubs in different finishes and styles. You don't need to let delicate materials stop you from creating the perfect aesthetic thanks to this insert. It's made from polycarbonate plastic so it's highly durable, easy to clean and lightweight.
