Dinnerware has a new standard. The Jane Collection, our "basic" dinnerware line, is anything but ordinary. Simple and versatile by design, these plates, bowls, cups and platters serve as ideal backdrops for all types of menu items. From low-key lunches to gastronomically-inspired dinners, the possibilities are practically endless. We chose to craft the Jane Collection from melamine for two reasons: First, it's exceptionally resilient to the bumps, bangs and bounces that find their way into every kitchen. This dinnerware is in it for the long haul. Second, melamine is dishwasher-safe. No matter how you're inspired to fill these blank canvases, cleaning and reusing them is a cinch.

Complete your table presentation with this 9" diameter white, round, wide rim melamine plate; perfect for serving signature entrees or shareable appetizers. With a crisp white color and traditional design, this plate from the Jane Collection delivers a classic look you can dress up or down. Pair with dinnerware of other colors, patterns and materials to create an eye-catching table setup for any occasion.
