Dinnerware has a new standard. The Jane Collection, our “basic” dinnerware line, is anything but ordinary. Simple and versatile by design, these plates, bowls, cups and platters serve as ideal backdrops for all types of menu items. From low-key lunches to gastronomically-inspired dinners, the possibilities are practically endless. We chose to craft the Jane Collection from melamine for two reasons: First, it’s exceptionally resilient to the bumps, bangs and bounces that find their way into every kitchen. This dinnerware is in it for the long haul. Second, melamine is dishwasher-safe. No matter how you’re inspired to fill these blank canvases, cleaning and reusing them is a cinch.

Complete your table presentation with this 7-1/2” diameter white, round, narrow rim melamine plate; perfect for serving your signature salads. Its classic, simple look and crisp white color gives you the freedom to dress it up or down for any event and its narrow rim allows the food to take center stage. Pair with dinnerware of other colors, patterns, and materials to create an eye-catching table setup for any occasion.
