Dinnerware has a new standard. The Jane Collection, our “basic” dinnerware line, is anything but ordinary. Simple and versatile by design, these plates, bowls, cups and platters serve as ideal backdrops for all types of menu items. From low-key lunches to gastronomically-inspired dinners, the possibilities are practically endless. We chose to craft the Jane Collection from melamine for two reasons: First, it’s exceptionally resilient to the bumps, bangs and bounces that find their way into every kitchen. This dinnerware is in it for the long haul. Second, melamine is dishwasher-safe. No matter how you’re inspired to fill these blank canvases, cleaning and reusing them is a cinch.

With a capacity of 16 ounces, this 9-1/4” diameter bowl can be used as either a shallow bowl or a deep plate. Its versatility for appetizers, entrées, and desserts; combined with its sleek, simple look makes this bowl a necessity for any kitchen. Combine it with dinnerware of other colors, patterns and materials to create an eye-catching table setup for any occasion.
