Experience the ultimate in style and functionality with our collection of bar trays and liners. Our stainless steel bar trays, adorned with a sleek brushed lip, come in various diameters to suit your serving needs. Pair them with our clear mesh liners (sold separately) for an effortlessly clean, polished, and practical solution that makes serving drinks and snacks a breeze. Looking for something different? Our black nonslip bar mat ensures stability and sophistication, while our naturally nonslip cork bar tray offers a charming and eco-friendly alternative for a liner-free, secure serving experience.

This 13" diameter black bar tray mat is a fantastic non-slip layer to add to your bar tray. The black color will easily blend with any tray. Its non-slip surface makes passing drinks a breeze. and has pitch black coloring. This product is handwash only. The bar tray mat fits into bar trays and does wonders to prevent the slipping and sliding of glasses on the tray as they are being carried to your customers. Pair it with our 13" tray (SSP13) from the Coupe Collection for a glistening, efficient bar.
