Inspired by classic china, these timelessly nostalgic pieces feature beautiful floral designs that could pass as individually made. Whether you use them to serve entrées, hors d'oeuvres or desserts, your customers just might be transported to a Florentine patio when this collection reaches the table. Because the Isabella Collection is crafted from BPA-free, NSF-approved melamine, you can create elegant presentations day after day and night after night without concerns of safety or durability.

Add a beautiful touch to your tabletop with this 8-3/4" diameter melamine salad plate. Its white body and blue floral tones scream vintage china but have the sensible durability and lightness of melamine. The scalloped rim is an added detail that makes this plate look like it came straight from your grandmother's china closet. Perfect for serving salads, appetizers or using as a small plate. Mix with other items from the Isabella Collection for a truly eclectic look.
